MEMBERS PRESENT	Chair Tom Jacobs, Supervisors Andy Neubauer and Kevin Timm.
STAFF PRESENT	None

Meeting called to order at 4:00 PM at N1800 Town Hall Road, La Crosse, WI by Chair Tom Jacobs with Pledge of Allegiance.

East Hills – Priority! Steve will call diggers hotline, storm sewer needs to be done within 30 days, Steve will call Steiger about curb and gutter, Scotts recommends pulverizing road but Steve will check if this is included in the \$48,090 bid from Scotts, even if not included this should be done to fix correctly.

Schmaltz Road, after fixing rip rap for 300 yards, FEMA should reimburse us for this, but more needs to be done. Steve will get the permit for this before getting another bid from Hess, while this is getting done field roads will also be addressed.

Kreibich Coulee, pictures show wash out, trees are dying on north side of the road, Scott's shows \$46,460 for full wedge, from recycler center to the end. This should be done because FEMA will cover a big part of it. Discussion about the spillway, Steve will look at this again and ask Scott's opinion.
