

The Town of Greenfield has a new email domain. "greenfieldlaxwi.gov" Easy way to think of it – town, county, state, (dot)government. Updates are being done with emails and will be done on the website also. If old emails are used, no need to worry; old emails will be routed into the new ones. Thank you. Below are the town board new emails. Please note: Kevin Timm is now at supervisor1. Thank you!
