

Greetings to the St. Joseph's Ridge Community and the Town of Greenfield residents.

As the new year approaches, the St. Joseph's Ridge Lions Club will soon have a new shelter at our park to rent and enjoy, tentatively available May 1, 2025. With that comes a new rental procedure and fees. The shelter availability can be seen on the Town of Greenfield calendar (<https://www.greenfieldlaxwi.gov/government/calendar/>) and the rental agreement can be found under community forms and permits (<https://www.greenfieldlaxwi.gov/community/forms-and-permits/>). Paper copies will also be made available at the townhall but limited due to hours of operation. Upon receipt of a signed rental agreement and the appropriate fee, the date requested will be reserved. This can be dropped off/mailed to the Town of Greenfield. All other information is available on the rental agreement. Questions can be sent to st.josephridgelions@gmail.com or Willy Williams: 608-792-9258.

Wishing you all a Happy New Year!
